PIONEER BASKETBALL CLUB

WHAT IS SENIOR CLUB?

Pioneer Basketball Club enters teams into the CBA Winter Club competition. The CBA run and facilitate games and the winter season for us to enjoy. Many other clubs and schools enter teams from all over Canterbury from ages 13U and up.

The Main PURPOSE of Pioneer's Senior Club Program is **participation and development** for all members in our club.

In 2026 the grades are:

**Pioneer aims to enter at least one team in each grade but team entry is dependent on player registrations*

Each age grade may have different sub grades, e.g. B13U A grade, B13U Middle, B13U Development. This is dependent on team registrations and is set by the CBA.

All Pioneer teams are offered one training a week except for Midweek teams, however if individuals from the Midweek teams would like to train they can discuss options with staff.

Coaches are required for all aged grades. Div 1 and Midweek teams do not require coaches but will need effective managers. These teams are player lead.

All teams require a manager to organise uniforms, team communication and scorebench requirements.

Managers and coaches will be supported by a club volunteer and staff members throughout the year.

CLUB FEES

Pioneer Basketball Club always aims to keep costs to players as low as possible. Pioneer teams are entered into the CBA competition and Pioneer is charged for all registrations, team entries, court hire and affiliation fees. In addition, Pioneer charges for training court hire, uniform and gear care.

Pioneer heavily subsidises Senior Club fees and applies for funding regularly to reduce the costs for families.

In 2026 we are looking for sponsors to support teams, individuals and the club. If you know of someone or a business interested please get them in touch with the club:

clubmanager@pioneer.nz.basketball

PIONEER'S EQUAL OPPORTUNITY & DEVELOPMENT

At Pioneer Basketball Club, all players, coaches, and referees deserve equal chances to develop and grow.

When playing for Pioneer Basketball club in the senior club competition all members have the right to develop their game and experiences as equally as possible. We have seen how important it is that all players in a team get to play as much as possible. It creates a better team environment, space for development and makes a huge difference during high pressure games or when injury and sickness strikes.

- ALL players will receive equal development time during trainings and experience drills and games from all positions on the court.
- In B17U and below grades, Men's and Women's Div 1, Men's and Women's Midweek, M20U Dev and M23U Dev grades, all players will receive equal minutes on the court during games within foul and injury constraints.
- In M20U A grade, M23U A Grade, and Men's/Women's Premier, all players will be given as many minutes as possible on the court. They may not be equal minutes but ALL players will get to play at some stage during the game.
- In the event a player from another team is brought in as an injury reserve, they still hold the right to receive court time. This falls in line with whatever grade the player is filling in for (B17U and below - equal court time, M20U and up - as many minutes as possible).

This policy applies to all games throughout the season, including playoffs and finals games.

Other clubs, schools and teams do not implement the same policy on court time. However, it is an important part of Pioneer's culture that players experience playing time. Everyone pays the same subs regardless of how much court time you spend on the court. Pioneer have resources and support persons to help coaches manage subbing and game management with this policy in mind.

We would appreciate communication from all if you believe this policy isn't being followed in your team (the sooner you contact us the better).

HOW PIONEER CAN SUPPORT YOU

There are a number of resources available to our teams throughout the year. Please ensure you use them if needed!

Pioneer Staff

All Pioneer staff are here to support you, it's part of our role in the club to ensure you have the resources needed to do your job. If you have any questions, queries, grievances or complaints please get in touch asap so we can help you resolve them.

Our role is to take as much off your plate as possible so that you can focus on coaching/playing/refereeing/managing and supporting throughout the season. Please direct any complaints or queries our way. Similarly, if you have any on court issues or need to lodge a complaint, please contact us.

Community Champions and Boomers

Pioneer are lucky enough to have a team of dedicated Club Champions and Boomers to support our teams and members. CC's and Boomers are valued members of our club who support staff when we are unable. They can be called upon to cheer, support and interact with any of our senior club teams.

They have training in positive side-line behaviour and can assist you with your team, spectator or opponents behaviours. They know who to contact in times of need and may step in where appropriate. Their main job is to celebrate great sportsmanship, teamwork, positive behaviours and to provide you support when needed. They also take photos for staff when needed.

Coach Development

We have plenty of resources available to share with all our club coaches. When we don't have what you are looking for, we can find it or get you in contact with experts who can help you. We have access to coaching courses and development opportunities if you are interested. We can sit with you at trainings and games, offer support or advice if wanted. Or we can direct you to someone who could be suited to 'mentor you'.

Coach developers are trained to develop, support and challenge coaches to go on honing and improving their knowledge and skills in order to provide positive and effective sport experiences for all participants.
