### WHAT

The carnival is a fun, fully inclusive way to enjoy playing basketball. We have two grades, an open and a wheelchair grade\*. Due to a low number of WC teams, each of the open teams will play at least 1 game of wheelchair 3x3.

We will have skills and warm up time as well as kai and korero at the end of the night.

*\*Bring your own chair or use one of ours! Players in wheelchairs or with walking aids are not required to play in the wheelchair grade, the rules are adapted in the open grade to allow you to play.*

### UNIFORMS

We don't require your team to have basketball uniforms! Please come dressed up any way you choose....

*We will have bibs to use, we recommend all wearing the same colour or outfit to help identify teams.*
