The Pioneer Basketball Clubs core values are

- Whanaungatanga

- 

Everyone should represent themselves and Pioneer Basketball Club appropriately online at all times. As part of our community, you represent Pioneer Basketball Club by extension.

The higher a person's profile becomes within basketball/sport, or their position within Pioneer Basketball Club the more people will take note of their behaviour, including online. Young people look up to more senior participants and people involved in basketball/sport as role models.

This policy document supports our members and wider community in safe online communication and social media use.

Everyone has a right to feel safe and belong within our Pioneer whānau, whether online or in person. Please share this policy document with your whānau and community.
