

WE WANT YOU TO...

# Pick up a Whistle!

YOU DON'T EVEN HAVE TO KNOW MUCH ABOUT THE GAME, WE CAN TEACH YOU :)

MAKE AN IMPACT ON THE GAME

## We're looking For

PARENTS

PLAYERS

PEOPLE WILLING TO LEARN

WITHOUT REFS:

- PLAYERS COULDN'T PLAY.
- COACHES COULDN'T COACH.
- FANS COULDN'T CHEER.

WILL YOU STEP UP?

Basketball is heavily reliant on referees to ensure safe, fun and fair games.

Everyone within our Pioneer whānau is capable of giving refereeing a go! We are offering an opportunity to support you as you have a go at refereeing. Help us keep the game safe for our players and support your friends, tamariki and the community in the process!

We are incredibly lucky to have a wealth of knowledge within our club and we need to share it.

Our referee trainers will work with you individually, supporting you as you give refereeing a go. They'll work at your pace, teach you the skills needed and help give you the confidence to one day referee a game without support.

**You can make a difference!**

## What's involved?

- Attend a workshop, learn the basics!
- Work directly with a referee trainer during a game situation.
- We could start you on a Primary game, or go straight to club.
- We will work at your pace, slowly getting you confident and capable on games.
- You might like to do 1 game a week, maybe 5! Once you are ready we'll get you set up as a referee in games!

*All it takes is you doing 1 game a week to help grow basketball in Ōtautahi!*
